KENDALL'S SPAVIN CURE.

Santa Rosa, Cal., Feb. 9, 1883.

B. J. KENDALL & Co., Gentlemen:—I feel it a duty to others suffering the piles and falling of the rectum to write you. I have had piles and prolapsus of the rectum for five years, and for the past three years I have suffered the most agonizing pain. Tried everything without relief, but after ten days' use of Kendall's Spavin Cure I have not seen or heard of the piles since. One, who has not suffered as I have, cannot comprehend the great joy that I feel at being cured of a disease almost worse than death. I had a valuable young horse that had a large bunch gather on his breastbone. I tried all kinds of liniments and had it cut open without any beneft. Saw your advertisement and lought a bottle of Kendall's Spavin Cure, and ordered my teamster to use as directed. Thinking that a liniment that would do what Kendall's Spavin Cure, and ordered my teamster to use as directed. Thinking that a liniment that would do what Kendall's Spavin Cure has done for my horse might benefit more, I tried it as a last resort.

With gratitude and best wishes for your success, I am faithfully yours,

J. H. GLENN.
